

A United Group Programs, Inc. Brand

Day or Night, Consult with a Physician

iSelectMD provides real-time access to quality physician care with a national network of U.S. based, licensed and board-certified doctors for common, non-emergent medical conditions. This service is available 24/7, with unlimited usage, at no additional charge to the employer or members. It should be noted that this is a subscription program – not an insurance benefit.
